Dear Sir / Madam,

Whitworth Street West, City Centre: Proposed Advisory Cycle Lanes

For your information, I have attached a consultation plan describing proposals to provide advisory cycle lanes along Whitworth Street West between Oxford Street and Deansgate, including the provision of full green surfacing over side road junctions and a 0.5m buffer strip between the proposed advisory cycle lanes and marked vehicle bays.

Should you have any comments regarding these proposals, please can these be received by the 18th December at the latest.

Kind regards,

Ian Kavanagh,
Highway Services
