GNB's alternative polling station (which was used this year) is The Buzz, which is a long way from Hyde Road. There is a lack of safe parking at Gorton Library. An alternative could be to locate a temporary facilities at Gorton Market over the road.	The Peacock Centre would not be a suitable polling place should the proposed merger of GNB and GNJ due to its distance from electors in GNJ. Gorton Library has a community room which has good facilities for voting and is located in a busy area. LEB	Birchfields Primary School, Lytham Road	Hall	Councillor John Commons: The new Hawthorne GP Surgery Community Room is in the ward and much closer to electors in the district. At parliamentary elections, a further polling station could be provided at Richmond Hall for students.	Birchfields Primary School is located in the RUB district of the Levenshulme ward. It is recommended that Hawthorne GP Surgery and car park be designated as the polling place for this district. The Community Room will be used as the polling station as this has separate access and egress at the side of the building. Each polling district can only have one polling place.
