

Working together to improve services in Manchester

Evaluation of Event

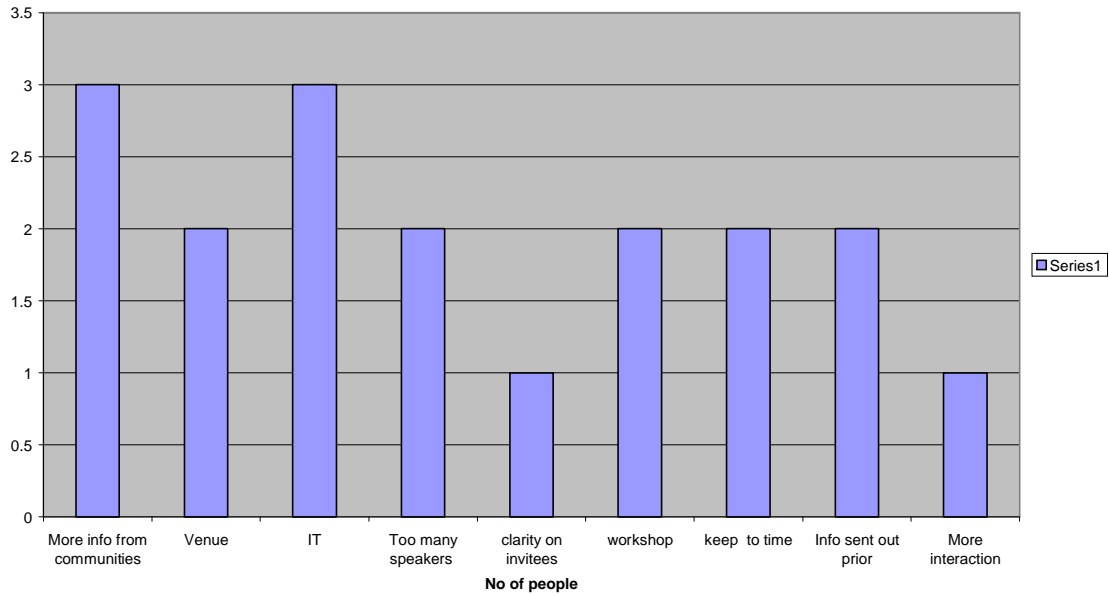

Participants at the event were asked to complete an evaluation form following the event. 77 people attended the event, however only 10 completed evaluations forms were received therefore the evaluation may not be a full reflection of the event. The results are as follows:

Most people enjoyed the workshops and the sound bites.

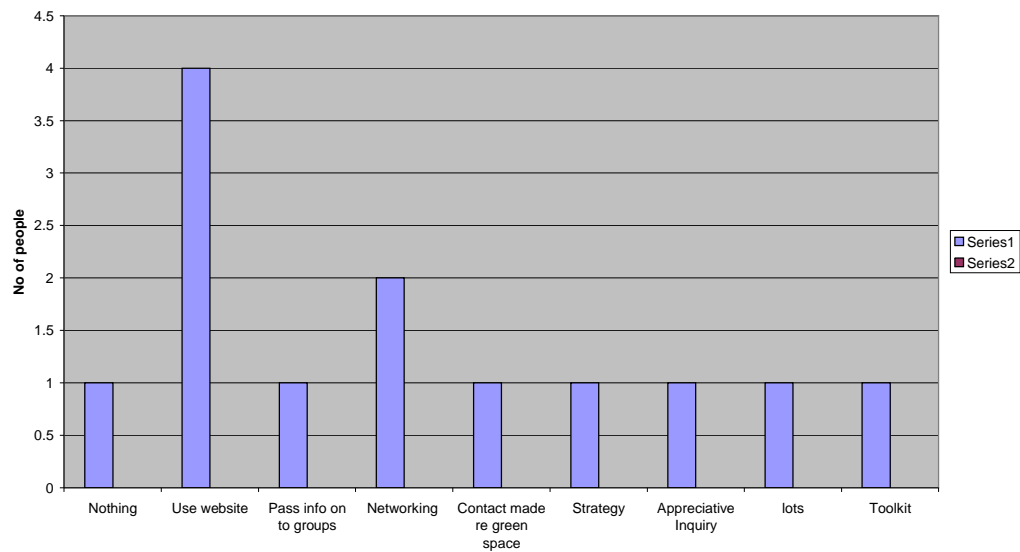

Your Manchester

What could have been improved?

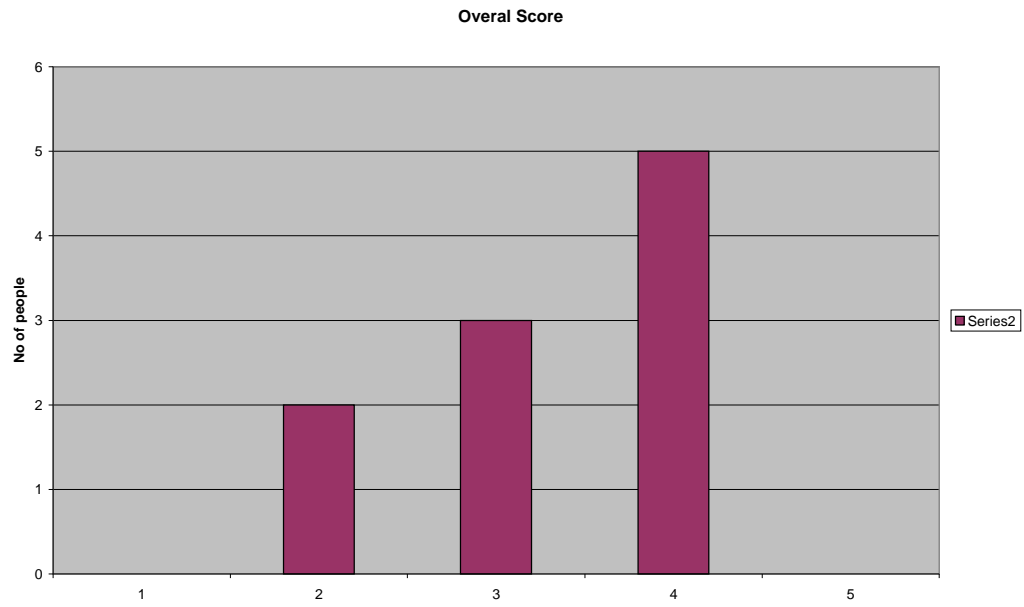

People felt the biggest areas for improvement were IT and more input at the event from communities.

What will you take away from the event

People said that they would use the website and enjoyed networking opportunities at the event

Your Manchester

Overall people felt the event was good
