PER/10/19 Minutes

Decision

To approve as a correct record the Minutes of the meeting held on 27 October 2010.

PER/10/20 m People

A report was submitted seeking approval and authorisation for the implementation of the overall **m people** framework agreement. Approval and authorisation was also sought for implementation of the revised and updated supporting policies that will support the m people process.

Decision

1. To agree the adoption of the **m people** policy, protocol and quality assurance framework.
 2. To agree the revised Statement of Particulars
 3. To agree the updated polices which support the **m people** approach
 4. To agree the approach adopted to review the discipline, grievance, dignity at work and capability policies and the intention to report progress on the revised polices to be presented to a further JCC in April 2011
 5. To agree that the **m people** framework be reviewed within 3 years.
