Everybody is welcome to attend Council and Committee meetings in Manchester.

Everybody is welcome to attend Council, and Committee meetings.

The Council has delegated to the Planning and Highways Committee authority to determine planning applications, however, in exceptional circumstances the Committee may decide not to exercise its delegation in relation to a specific application but to make recommendations to the full Council

The Members of the Planning and Highways Committee are :-

Councillor Burns (Chair)	Councillor Boyes	Councillor Curley	Councillor Flanagan	Councillor Fender
Councillor Grant	Councillor Keller	Councillor Loughman	Councillor Lyons	Councillor Morrison
Councillor Ryan	Councillor Sandiford	Councillor Shaw	Councillor Tavernor	Councillor Watson

It is the Council's policy to consult people as fully as possible before making decisions that affect them. Members of the public do not have a right to speak at meetings but the Committee will usually allow applicants and objectors to address them for up to four minutes. If you have a special interest in an item on the agenda and want to speak, tell the Committee Officer, who will pass on your request to the Chair. Groups of people will usually be asked to nominate a spokesperson.

The Council is concerned to ensure that its meetings are as open as possible and confidential business is kept to the strict minimum. When confidential items are involved these are considered at the end of the meeting at which point members of the public are asked to leave

At the beginning of the meeting the Chair will may make announcements about individual applications on the Agenda which the Chair is proposing should not be considered at the meeting. This may be in response to a request by the applicant for deferral, from the officers wishing to undertake further discussions in relation to the application, or members of the Council or Committee for a site visit.

The Committee will then decide whether or not to agree to the deferral. Once there is agreement to defer an application no discussion will take place in relation to the detail of that application.

It is also possible to defer an application for a site visit or further information during consideration of the item. If this should happen no further discussion will take place.

The Chair will explain to members of the public how the meeting will be conducted as follows:

1. The Planning Officer will advise the meeting of any late representations that have been received since the report was written.

2. The officer will state at this stage if the recommendation of the Head of Planning in the printed report has changed.
3. **ONE** objector will be allowed to speak for up to **4 minutes**. If a number of objectors wish to make representations on the same item, the Chair will invite them to nominate a spokesperson.
4. The Applicant, Agent or their representative will be allowed to speak for up to **4 minutes**.
5. Members of the Council not on the Planning and Highways Committee will be able to speak for up to **4 minutes**.
6. Members of the Planning and Highways Committee will be invited to express views/ask questions and the appropriate planning officer may then respond to issues that have been raised. The representative of the Head of Engineering Services or the City Solicitor as appropriate may also respond to comments made.

Only members of the Planning and Highways Committee may ask questions of the officers. All other interested parties make statements only.

The Committee having heard all the contributions will determine the application. The Committee's decision will in most cases be taken under delegated powers and will therefore be a final decision.

If the Committee decides it is minded to refuse an application, they must request the Head of Planning to consider its reasons for refusal and report back to the next meeting as to whether there were relevant planning considerations that could reasonably sustain a decision to be minded to refuse.

Crèche facilities are available for visitors to the Town Hall by prior arrangement with the St. Peter's Children's Centre (Telephone : 0161 234 3246).

Each Committee is serviced by an officer representing the Chief Executive. If you have any questions about this or other meetings, please contact the Governance and Scrutiny Support Unit on the number below -
