Landmarks

- 1 Abbott Community Primary School
- 2 St Cuthbert's Parish Church
- 3 St George's Community Centre
- 4 Miles Platting Community Library
- 5 Trinity Methodist Church
- 6 New Islington Medical Practice
- 7 New Islington Tram Stop

This plan shows the location of the proposed Permit Parking Scheme areas of Ancoats, Miles Platting and Collyhurst

- **Operational hours.** Monday to Sunday (all days), 8am–9pm
- **Two zones.** Miles Platting (MP) & Ancoats (AN). Permits will be issued for use in one zone only.
- **'Past this Point' restrictions throughout.** No road markings means minimal change to how you park now.
- **Permit types.** Permits will be available for the following groups upon application: residents, businesses, carers, visitors and community organisations.
- **Marked parking bays 90 mins max stay.** Visitors to the area that do not have a permit can park in designated bays for short periods of time. These bays will be throughout the area so that visitors and tradespeople can still park close to where they need to be.

- **Yellow lines.** Permits do not allow parking on yellow lines when they are in force.
 - **Double yellow lines.** No parking at any time, no exception for permit holders.
 - **Single yellow lines.** No parking during times shown on signs. Permit holders can park outside of these times.
- **Private roads.** The permit restrictions won't be applied to roads in these areas as they are managed and enforced by others.
- **Other parking bays** Permits do not allow parking in bays where signs do not include the words 'Permit holders'. This includes:
 - Pay & display bays on Old Mill Street outside the medical centre
 - Disabled bays on Old Mill Street outside the medical centre.
