

What do you think of parks, play areas, sport and recreational land and other open spaces in Manchester?

(Have your say and be in with the chance to win some prizes!)

Dear Resident,

We very much **hope you can spare 10-15 minutes to complete the attached survey**. The study will investigate whether the current level of open space provision is sufficient in terms of quality, quantity and accessibility to meet the needs of Manchester residents now and in the future. The findings of this study will be used to influence decisions on where money in the future will be spent in your local open spaces, sport and recreation facilities. Your household is one of 6000 randomly selected in order to provide us with an insight into residents' opinions on open space within Manchester. Even if you don't use open spaces we are keen to hear your views. All the answers you give will be treated as confidential.

When completing the survey please answer the questions in relation to the open spaces within your area.

The questionnaire is quick and easy to answer. Please try to answer as many questions as possible by placing a tick in the boxes or write your answer in the space provided. Please return your questionnaire even if you are unable to answer all of the questions, as any information you provide will be of great use to us.

Who should complete the survey?

You will notice that the survey has not been addressed to any particular individual in your household. This is because we would like to hear the views of the widest possible range of people – so anyone can answer the questionnaire. If you have any questions or need any help completing the questionnaire please phone Gary Grocock or myself at PMP on 01606 49582. Alternatively, you can email your views to:

manchesteropenspace@pmpconsult.com

Please return your completed questionnaire in the pre-paid envelope provided by **Friday 9th March**. For your chance to win one of following prizes please fill in the slip below and enclose along with survey.
