

**MANCHESTER  
CITY COUNCIL**

# **Private Hire Driver Conditions**

**Revised 17 September 2001**

## Introduction

This booklet is intended to assist persons already engaged in the Private Hire trade in the capacity of driver, within the City of Manchester and also those who are contemplating making entry into this trade. It includes mention of the main Licensing Legislation, Requirements and Conditions.

While it is hoped that these notes will be a useful guide, they are not to be taken as a comprehensive and authoritative statement of the Law. The Officers in the Taxi Licensing Team, PO Box 532, Manchester M60 2LA, will endeavour to answer all reasonable enquiries and give appropriate further information where practicable.

All drivers of Private Hire vehicles must hold licences issued by the City Council and must also be over 18 years of age and have held a "full" driving licence for at least 12 months.

## **Main Provisions of Law Applicable to Private Hire Car Drivers**

Local Government (Miscellaneous Provisions) Act, 1976

### **Period of Licence**

Licences to drive private hire vehicles will normally be for 1 year only. In exceptional circumstances, temporary licences may be issued at the discretion of the City Council.

### **Driver's Identity**

When a licence is issued to the driver of a private hire vehicle, two identity badges bearing his/her photograph will

be issued. A driver failing to wear and display one of the identity badges when driving a private hire vehicle commits an offence for which he/she may be fined up to level 3 on the standard scale for each such conviction. The other badge is to be displayed at the front of the vehicle so as to be easily seen by all passengers.

### **Driver's Licences**

Private hire drivers must deposit their licences with the proprietor of the vehicle they are engaged in driving.

### **Change of Address**

Any change of address must be notified to the Licensing Unit without delay.

### **Medical Fitness**

All drivers are required to undergo a full medical examination (at their own expense) every five years when aged between 50 and 65, and annually thereafter. Circumstances may arise, however, where additional examinations are deemed necessary - for example after illness or injury.

### **Antecedent History**

The City Council will request from Greater Manchester Police the antecedent history of all applicants for Private Hire Drivers Licences every three years. However, there may be circumstances, which arise whereby additional requests may be necessary.

A private hire driver who causes any notice concerning fare, etc., to be shown or displayed with intent to mislead, commits a criminal offence.

## **Private Hire Car Fares and Arrangements**

**It is an offence to ply for public hire with a private hire vehicle.** To do so, in certain circumstances, may even negate insurance cover. Every passenger journey must be pre-booked through, and recorded by, a person separately licensed by the City Council as an operator.

If a private hire vehicle is fitted with a faremeter, fares for journeys must be at the amount shown by that faremeter and in accordance with the fares card displayed for passengers to see. The faremeter must also be sealed and tested at the Test Centre or other designated place.

If no faremeter is fitted, the fare charged must not exceed that prescribed by the fares-table as displayed in the vehicle unless a rate of fare has been separately agreed with the licensed Operator at the time of booking.

## **Powers of the City Council**

The City Council has powers to suspend or revoke or refuse to renew drivers' licences in the event of breaches of conditions or for any misconduct, especially that arising from dishonesty, violence or indecency.

## **Penalties**

An offence under the Local Government (Miscellaneous Provisions) Act 1976 may attract a fine up to level 3 on the standard scale.

## **Obstruction of Authorised Officers**

It is an offence to fail to comply without reasonable excuse with any reasonable requirement of an Authorised Officer of the Council or Constable or to fail to provide any assistance or information required by him in connection with his licensing duties and responsibilities.
