

2015/16 Members' Allowances Scheme

Notice of money paid by Manchester City Council to each Councillor in the financial year 2015/16.

An Independent Panel, separate from the Council, agrees the rates of allowances paid to councillors and the co-opted members of Manchester City Council. The Independent Panel advises the Council on what to pay based on their analysis of members' duties and responsibilities and the comparable rates in other local authorities. Allowances are subject to tax and National Insurance. Members can also claim to be reimbursed for other expenses such as travel and subsistence and child care in limited circumstances.

All such expenditure is subject to scrutiny by the City Council.
