Please take the time to read the revision guide and other information you are given note down any questions you have to take to the coaching session.

The coaching session is only the beginning; it tells you how to revise for the test. Take some time after the coaching session to properly revise for your Knowledge Test.

Section 1 – Private Hire & Hackney Carriage

Part 1: Using the Greater Manchester A–Z

The A–Z is a very useful tool when used correctly:

- It helps with routes from one location to another, giving all road names on the route.
- It lists street names, towns and places in alphabetical order (districts are written in italics next to the street name).
- It lists landmarks such as larger public buildings, hospitals, churches and sports grounds by name.

Introduction

The reference guide in the front of the A–Z explains all the symbols, for example ■ is a Fire Station.

The index in the back of the A–Z shows:

- Areas in **blue** text: for example: **Salford/Bolton** etc.
- Places of interest in **red** text: for example: **Abbotsfield Pk Miniature Railway**.
- Streets, roads and avenues in black text for example: **Abingdon Rd**.
- Hospitals have their own section, after the index at the back of the book.
- Postcodes are situated in the centre of the A–Z.
- 50 Mile Map around Manchester is located in the centre of the A–Z.
- Mapping symbols can be found on the first two inside pages of the A–Z.

Note: There may be a small number of places that are not in the current A–Z.

Finding a location in the A–Z

Using your A–Z find **Broadway in Urmston**

Note down the page number and reference

If you have used the A–Z correctly, you will have found Broadway in Urmston and not Broadway in a different area.

The easiest way to find Broadway using your A–Z:

Step 1: Go to the index in the back of the A–Z and look up the area Urmston.

Remember the area is in **blue text**

Step 2: Write down the page number only for the area **Urmston** Page 92

Step 3: Now find the street you are looking for located on page number (92) from step 2
Broadway Grid Ref 5A

Step 4: Broadway is on Page 92 at grid 5A: Did you find it?

Finding 'St', 'Sa' and 'Gt' locations

Please find: St John's Road (Heaton Mersey) (answer on page 47)

Many people look for this type of location by looking under **St** in the index or under **J** for John's.

St in front of a word (St John's Road) means Saint, so search for **Sa**

St after a word (John St) means **Street**, so search under **St**

Gt before a word (Gt Mary Road) means **Great**, so search under **Gre**

Here are some other abbreviations you will see after street names, and their meanings:

Av	Avenue	Gdns	Gardens	Ter	Terrace
Cft	Croft	Gro	Grove	Vw	View
Clo	Close	La	Lane	Wik	Walk
Cre	Crescent	Sq	Square		

Part 2: Places Finding 'The' locations

~~Please find: The Crescent (Droylsden) (answers on page 47)~~

Streets starting with 'The' are **not** listed under 'The'.

For example, to find **The Crescent**, look under 'Cre' in the A-Z.

To help you, we have listed the alphabet below:

Aa	Bb	Cc	Dd	Ee	Ff	Gg	Hh	Ii
Jj	Kk	Ll	Mm	Nn	Oo	Pp	Qq	Rr
Ss	Tt	Uu	Vv	Ww	Xx	Yy	Zz	

Remember!

- Areas are in **blue** text.
- Places of interest are in **red** text.
- Streets, road, avenues, etc are in **black** text.
- Hospitals have their own reference section in the A-Z.
- **▲■** The reference guide explains all the symbols in the A-Z.

Learn this information and it will help you pass this part of the test.

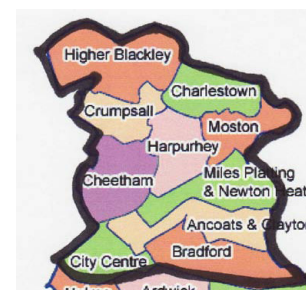

Revision tip: ask someone to test you at home by giving you the names and locations of streets, places of interest, subdistricts, hospitals, symbols, and see if you can find them.

Section 3 – Private Hire & Hackney Carriage

Part 1: Safeguarding, Legislation, Conditions and Customer Care

You have been provided with a drivers handbook that provides you with information relating to 'Safeguarding issues'. It also has a section that relates to advice regarding keeping yourself safe when working as a taxi driver.

The two main Acts that govern hackney carriage and private hire drivers are:

Town and Police Clauses Act 1847 and 1889, and Local Government (Miscellaneous Provisions) Act 1976. In relation to private hire drivers, there are conditions (yellow booklet) that must be adhered to. In relation to hackney carriage drivers there are byelaws, which must be adhered to.

There is other legislation that you need to be aware of:

- Disability Discrimination Act
- Driving – DVLA
- Vehicles – construction and use
- Highway Code
- Immigration law
- Revenue and benefit

Taxi information: IMPORTANT

The Council website includes dedicated taxi-licensing web pages. Why not go online and have a look: www.manchester.gov.uk/taxi You can download forms, renew your driver's licence, and download information/guidance. It is quite a good idea to join a national body, where you can get information and support. You will find a list of trade representatives on the website.

Learn the conditions (bylaws booklet) and do some additional reading on other legislation relevant to being a private hire /hackney carriage driver – there's lots of information around.

In addition to the local area knowledge in the previous pages, you will need to know the popular locations, places and premises in the following lists. Remember that the lists are not exhaustive
