Manchester City Council's Polling District and Polling Place Review 2017

Submission from the (Acting) Returning Officer for the Parliamentary Constituencies of:
Blackley and Broughton, Manchester Central, Manchester Gorton, Manchester Withington and Wythenshawe and Sale East.

Whilst the (Acting) Returning Officer (ARO) is responsible for Parliamentary Polling Stations (located within the designated Polling Places), in practice the same arrangements also operate for Local Elections. The ARO therefore has an interest in the review, which is needed to ensure future Polling Districts, Polling Places and Polling Stations work for Local Elections on new ward boundaries as well as future Parliamentary Elections.

Polling Districts marked with an asterisk * must exist in this manner in order to deliver Parliamentary Elections
