Notice of Decision Made

Decision maker	Chief Operating Officer Neighbourhoods
Date of decision	23 January 2019
What is the decision?	To set the level for Fixed Penalty Notices for graffiti, unauthorised distribution of free printed matter and flytipping offences at £100 reduced to £80 if paid within 10 days.
Reasons for the decision (but excluding any exempt or confidential information)	The decision is consistent with the recent decision on changes applicable to littering Fixed Penalty Notices. It is also considered that an increase in the Fixed Penalty Notices for fly-posting and unauthorised distribution of free-printed matter would more accurately reflect the commercial nature of such offences. Furthermore, graffiti can be costly to remove and can harm the overall amenity of the locality, which again justifies the increased penalty.
Alternatives considered and rejected	None
Interests Declared	None
