This plan shows the proposed changes to take place on the junction of Chorlton Road, Moss Lane West, Withington Road, Upper Chorlton Road and Shrewsbury Street (known as Brooks Bar)

- Carriageway construction and resurfacing
- Footway construction and resurfacing
- Segregated cycleways
- Controlled crossing points

KEY

Proposed footway

Proposed uncontrolled crossing

Proposed controlled crossing

Proposed cycleway

Proposed Kerbs

Scheme boundary

The map illustrates a complex urban junction with five main roads: Chorlton Road (top), Moss Lane West (left), Withington Road (bottom), Upper Chorlton Road (right), and Shrewsbury Street (known as Brooks Bar, running diagonally). The proposed changes are color-coded: grey for footways, yellow for uncontrolled crossings, red for controlled crossings, green for cycleways, and blue for kerbs. A red dashed line outlines the scheme boundary. A callout box points to a specific area on the top road, labeled 'PROPOSED LINING AND KERB ARRANGEMENT TO TIE IN TO PHASE 1'. A north arrow is located in the top left corner of the map area.
