

Final changes to Deansgate between Blackfriars Street and Quay Street

This plan shows the final design of the changes to take place on Deansgate, between Blackfriars Street and Quay Street.

- Bus gate and Deansgate one-way southbound between Blackfriars Street and King Street – buses and taxis only. Segregated cycle facilities included.
- Traffic one way southbound between King Street west and Quay Street.
- Bridge Street westbound bus gate, located west of Gartside Street (eastbound traffic unaffected).
- St Mary's Parsonage closed at northern end.
- Existing access will remain across Deansgate at St Ann Street, King Street and Bridge Street.
- Right-turn ban from Bridge Street onto Deansgate will be removed.
- Northbound contraflow cycle provision between Bridge Street and Blackfriars.
- Two-way cycle lane between Quay Street and Bridge Street.
- Changed priorities at King Street West / St Mary's Parsonage.
- Additional restricted access on Southgate, College land, and St Mary's Street.
