

## Manchester PNA 2023-2026 Appendix 11: NHS England (NHSE) Commissioned Advanced Services

NHSE commissioned services include:

- Community Pharmacist Consultation Service (CPCS)
- Hepatitis C Testing Service (HEP C)
- Seasonal Influenza (FLU) Vaccination Program (Based upon 21/22 Data)
- Hypertension Case Finding Service (HTN)
- New Medicines Service (NMS)
- Smoking Cessation (SC)

Due to the specialist nature of appliance provision. It would be expected that both Appliance Use Reviews (AURs) and Stoma Appliance Customisations (SACs) advanced services commissioned by NHSE are provided by Dispensing Appliance Contractors (DACs). Please see section 6.0 of the full Pharmaceutical Needs Assessment for more information.
