

# Manchester Health and Wellbeing Board 2023-2026 Pharmaceutical Needs Assessment- Supplementary Statements

## 1.0 Summary

The Manchester Pharmaceutical Needs Assessment (PNA) was published January 2023 and is available at [Manchester's Pharmacy Needs Assessment | Making sure pharmacies provide the right service | Manchester City Council](#). It assesses whether the current provision of pharmacy services meets the needs of the population and also identifies potential gaps to service delivery. The Regulations state that Supplementary Statements can provide updates to the Pharmaceutical Needs Assessment only in relation to changes in the availability of pharmaceutical services.

Supplementary Statements cannot provide updates on pharmaceutical need: this can only be achieved through a review of the Pharmaceutical Needs Assessment.

The following supplementary statements have been issued in accordance with section 6(3) in Part 2 of the NHS (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013.

The following pharmaceutical services currently contained within the Pharmaceutical Needs Assessment have been identified as needing updating. This updated information supersedes some of the original information within the PNA and should be read in conjunction with that document.

Since April 2023, Manchester has seen changes to the local provision of community pharmacy provision across the footprint, outlined in Appendix 1:

- Closure of three pharmacies
- Reduction in opening hours for 16 community pharmacy contractors

## 2.0 Background and Context

Previously Manchester had 127 pharmacies, and since April 2023, Manchester Health and Wellbeing Board has received several notifications of changes to this provision.

Initially this included the closure of three community pharmacies meaning that Manchester currently has 124 providers across the locality. These closures were:

- Cohens Chemist, 22 Swan Street, Ancoats, Manchester, M4 5JQ
- Lloyds Pharmacy, Sainsburys Supermarket, 170 Heaton Park Rd W, Higher Blackley, Manchester, M9 0QS
- Lloyds Pharmacy, Sainsbury's 347 Wilmslow Road, Fallowfield, Manchester, M14 6SS

Following this, the Department of Health and Social Care (DHSC) introduced amendments to the NHS (Pharmaceutical and Local Pharmaceutical Services) Regulations which allowed 100 hour Community Pharmacy contractors to apply to reduce their core hours to a minimum of 72 core hours per week, as well as the introduction of rest breaks.

Any applications must be granted by NHS Greater Manchester provided that the pharmacy meet a number of specific regulatory tests:

- Must offer a minimum of 72 core hours over seven days (but may offer anything between 72 and 99)
- Must offer core hours between 17:00 and 21:00 Monday to Saturday (unless the applicant did not originally have core opening hours between those times – where this is the case, there is no requirement to introduce opening hours during this time frame)
- Must maintain Sunday hours provision, including retaining opening hours between the “protected” time frame of 11:00 and 16:00 (unless the applicant did not originally have core opening hours between those times – where this is the case, there is no requirement to introduce opening hours during this timeframe). Rest breaks may be introduced within the protected time frame but must commence no sooner than three hours after the community pharmacy opens and end no later than three hours before the pharmacy closes and must be no longer than an hour in duration.
- Must give five weeks’ notice.

Forty core hour contractors cannot apply for a reduction in hours; however, they may apply to introduce rest breaks during their contracted hours.

The full details of these changes are outlined in Appendix 1 and affect the following pharmacies:

- Asda Pharmacy, Asda Sport City, Alan Turing Way, Bradford, M11 4BD
- Asda Pharmacy, Stanley Grove, Longsight, Manchester, M12 4NH
- Asda Pharmacy, North City Shopping Centre, Harpurhey, Manchester, M9 4DJ.
- Asda Pharmacy, 100 Princess Road, Hulme, Manchester, M15 5AS
- Asda Pharmacy, 1 Swan Walk, Wythenshawe, Manchester, M22 5HZ
- Everest Pharmacy, 496 Wilbraham Road, Chorlton-cum-Hardy, M21 9AS.
- Boots The Chemist, 20-22 Chorlton Place, Wilbraham Rd, Chorlton-cum-Hardy, M21 9AQ
- Medichem Pharmacy, 304 Claremont Road, Moss Side, Manchester, M14 4EP.
- Ladybarn Lane Chemist, 3 Ladybarn Lane, Fallowfield, Manchester, M14 6NQ.
